## Winter Reminders

In the interest of public safety, City residents are urged to be good neighbors and motorists and follow the City the Snow Plowing and Snow Removal Ordinance. The following is a summary of the Ordinance:

- Use off-street parking after any snowfall of 1" or more until the street has been plowed curb to curb. If snowplows are forced to go around parked vehicles, the snow surrounding the car can create a hazard to the traveling public as well as plow operators and equipment. Vehicles that have been parked on the street longer than twenty-four (24) hours after a snowfall event and have prohibited the complete clearing of the street are subject to towing and impounding.
- The resident/occupant of any property abutting any public sidewalk is responsible for ice and snow removal. All ice and snow must be removed from public sidewalks within 36 hours after the ice or snow has ceased to fall. If the sidewalk is not cleared within the designated time the City will hire it done at a charge to the property owner of \$50.00 per time.
- It shall be the responsibility of the resident to remove snow around mailboxes.
- No person shall dump, blow, shovel, plow or deposit snow onto or across any public street or alley.
- There shall be no temporary obstructions such as garbage containers, recycling bins, basketball poles/hoops or obstacles and items of any kind placed on the road right-of-way, boulevard, street or alley in such a manner as to interfere with snow plowing and snow removal operations.
- The City will not be responsible for damage to vehicles, fences, play equipment, basketball hoops, landscaping items and other objects parked or placed on the City road right-of-way. The City road right-of-way is approx. 10' from the curb or the edge of the street on uncurbed streets.

Please contact the City Clerk at 245-3494 with questions or for more information regarding the Snow Plowing and Removal Ordinance.
