

CITY OF ST. CLAIR MONTHLY NEWSLETTER

May/June 2014

June 16th - 22nd

For more information visit the
St. Clair Days website
www.stclairdays.com

A flyer outlining St. Clair Days events and activities is included with this Newsletter.

Garden Meter

Residents may purchase a second water meter from the City for outside water use. Sewer fees will not be charged on the water used through the garden meter. Contact the City Clerk at 245-3494 for more information or to obtain a garden meter. PLEASE NOTE: The City does not install the garden meter. Meters should be installed by a licensed plumber.

Building and Zoning Permits

A Building Permit is required for almost all building projects and construction in the City of St. Clair including: re-roof, window replacement, new furnace, new water softener, finishing basement, etc. Contact the City Clerk (245-3494) for a Building Permit Application or for other information before undertaking any building project.

Building and Zoning information is also available on the City website www.stclair.govoffice2.com and on the website of the City Building Inspector, Dan Murphy www.buildingcodeinfo.com

Grass Clippings

Please mow your lawn away from the street so your grass clippings do not end up in the City storm sewer. The storm sewers are not designed to handle quantities of leaves and grass clippings. During a rainstorm, grass clippings, leaves and other yard debris can quickly plug storm drains and pipes and cause back-ups and other problems.
