## **Sidewalk Snow Removal**

The resident/occupant of any property abutting a public sidewalk is responsible for ice and snow removal. All ice and snow must be removed from public sidewalks within 36 hours after the ice or snow has ceased to fall. If the sidewalk is not cleared within the designated time the City will hire it done. The property owner will be charge \$50.00 each time it is necessary for the City to remove snow from the sidewalk.

**PLEASE NOTE:** This winter season we have a number of residents/occupants who are not removing snow from their sidewalks. For the 2015-2016 winter season the City Council is considering increasing the charge from \$50.00 to \$100.00 for each time the City has to remove the snow from the sidewalks.

## **Winter Reminders**

In the interest of public safety, St. Clair residents are urged to be good neighbors and motorists and follow the City the Snow Plowing and Snow Removal Ordinance. The following is a summary of the Ordinance:

- Use off-street parking after any snowfall of 1" or more until the street has been plowed curb to curb. If snowplows are forced to go around parked vehicles, the snow surrounding the car can create a hazard to the traveling public as well as plow operators and equipment. Vehicles that have been parked on the street longer than twenty-four (24) hours after a snowfall event and have prohibited the complete clearing of the street are subject to towing and impounding.
- Residents with mailboxes are responsible for snow removal around the mailbox.
- Dumping, blowing, shoveling, plowing or depositing snow onto or across any public street or alley is not allowed.
- No obstructions (garbage/recycling containers, landscaping items, basketball hoops or obstacles and items of any kind) should be placed on the road right-of-way, boulevard, street or alley in such a manner as to interfere with snow plowing and snow removal operations.
- The City is not be responsible for damage to vehicles, fences, play equipment, basketball hoops, landscaping items and other objects parked or placed on the City road right-of-way. The City road right-of-way is approx. 10' from the curb or the edge of the street on uncurbed streets.
