

DO NOT FLUSH ...

- disposable diapers
- feminine products
- mop heads and other cleaning products
- rags
- paper towels
- plastics bags
- dryer sheets
- disposable wipes
- bandages
- dental floss
- q-tips
- cat litter
- any items other than toilet tissue

The sewer system isn't designed to handle these kinds of items. Flushing such items can not only cause damage to pumps and equipment at the sewer plant, but can also plug sewer mains and individual sewer lines resulting in back-ups into homes.
